

Application to become a Known Customer

(Name of Company)

Staff at (location)_____ have an understanding of the aviation security requirements for the transport of cargo and mail by air.

- We have put in place appropriate systems and procedures at our premises so that we can be absolutely sure that only the intended items of cargo or mail are contained in our consignments passed to Stellar International Limited for transporting by air.
- We will send a statement of content, commercial invoice, or a Shippers Letter of Instruction with each consignment which will accurately reflect what is in the consignment, and will be identifiable as coming from us.
- We will make sure that consignments sent to Stellar International Limited are protected in a way that will allow staff at Stellar International to readily identify whether or not they have been tampered with.

Individual packages are sealed with one of the following:

- | | | |
|---------------------------------------------------------------------------|-----|----|
| - Secure tape | YES | NO |
| - Tamper evident seals | YES | NO |
| - Company stamp or sticker & signature across banding, shrinkwrap or tape | YES | NO |
